

# apprenticeship FRAMEWORK

## Vehicle Body and Paint - non statutory (Wales)

### IMPORTANT NOTIFICATION FOR ALL APPRENTICESHIP STARTS FROM 14 OCTOBER 2016

Modifications to SASW came into effect on 14 October 2016. These changes relate to the **Essential Skills and Employer Rights and Responsibilities** requirements of a framework and they **ONLY** apply to new Apprenticeship starts on, or after, 14th October. Apprenticeship starts before this date must continue to meet the 2013 SASW requirements for Essential Skills and Employer Rights and Responsibilities.

For more details of the changes and how they will affect new apprenticeship starts, please read the following preface page to the framework document. NB: Please check the "Revising a Framework" section for information on any additional changes that may have been made to this framework.

# CHANGES TO REQUIREMENTS FOR APPRENTICESHIP STARTS FROM 14TH OCTOBER 2016

These changes relate to the Essential Skills and Employer Rights and Responsibilities requirements of a framework and they ONLY apply to new Apprenticeship starts on, or after, 14th October 2016. Apprenticeship starts before this date must continue to meet the 2013 SASW requirements for Essential Skills and Employer Rights and Responsibilities.

## Alternatives for Essential Skill qualifications

**Foundation apprenticeships (Level 2):** Where Essential Skills qualifications are specified in a foundation apprenticeship framework (Level 2), the apprenticeship framework must specify as a Welsh certificate requirement, the acceptance of one of the following recognised proxy qualifications.

For Communication:

- GCSE or iGCSE qualification in English language or literature to at least grade G (Level 1 equivalent); or
- O Level qualification in English language or literature to at least grade E; or
- A/AS Level qualification in English language or literature to at least grade E; or
- SCQF Level 4 – Communication Core Skills (Oral communication and written communication); or
- SQA National 4 English; or
- Functional Skills or Key Skills literacy qualifications in English provided the proxy qualification(s) attained are at Level 1 or above.

For Application of Number:

- GCSE or iGCSE qualification in Mathematics to at least grade G (Level 1 equivalent); or
- O Level qualification in Mathematics to at least grade E; or
- A/AS Level qualification in Mathematics to at least grade E; or
- SCQF Level 4 – Numeracy Core Skill (Graphical Information and using number); or
- SQA National 4 Mathematics; or
- Functional Skills or Key Skills numeracy qualifications in Mathematics provided the proxy qualification(s) attained are at Level 1 or above.

**Apprenticeships (Level 3):** Where Essential Skills qualifications are specified in an apprenticeship framework (Level 3), the apprenticeship framework must specify as a Welsh certificate requirement, the acceptance of one of the following recognised proxy qualifications.

For Communication:

- GCSE or iGCSE qualification in English language or literature to at least grade C (Level 2 equivalent); or
- O Level Qualification in English language or literature to at least grade C; or
- A/AS Level qualification in English or literature to at least grade E; or
- SCQF Level 5 – Communication Core Skills (Oral communication and written communication); or
- SQA National 5 English; or
- Functional Skills or Key Skills literacy qualifications in English provided the proxy qualification(s) attained is at Level 2 or above.

For Application of Number:

- GCSE or iGCSE qualification in Mathematics to at least grade C (Level 2 equivalent); or
- O Level Qualification in Mathematics to at least grade C; or
- A/AS Level qualification in Mathematics to at least grade E; or
- SCQF Level 5 – Numeracy Core Skill (Graphical information and using number); or
- SQA National 5 Mathematics; or
- Functional Skills or Key Skills numeracy qualifications in Mathematics provided the proxy qualification(s) attained are at Level 2 or above.

**Higher Apprenticeships (Levels 4-7):** Essential Skills requirements are as for an apprenticeship frameworks at Level 3.

# CHANGES TO REQUIREMENTS FOR APPRENTICESHIP STARTS FROM 14TH OCTOBER 2016

## **Employer Rights and Responsibilities (ERR)**

The final modification to SASW is to Employer Rights and Responsibilities (ERR) which is no longer compulsory in frameworks. Please refer to the Employer Rights and Responsibilities section within the framework document to confirm specific requirements.

## **Additional Information**

It should be noted that SASW has also been modified to reflect existing improvements to Essential Skills Wales Qualifications. These improvements to ESW qualifications were signalled by the revised names:

- Essential Skills Wales Communication is now Essential Communication Skills (still 6 credits in size)
- Essential Skills Wales Application of Number Skills is now Essential Application of Number Skills (still 6 credits in size)
- Essential Skills Wales Information Communication Technology Skills is now Essential Digital Literacy Skills (still 6 credits in size)

Whilst there have been some amendments to the content of ESW qualifications, the most significant change has been to the assessment methodology for these qualifications.

From 1 January 2016, all new starts have had to follow the revised Essential Skill qualifications.

The updated version of SASW, and guidance documents, can be accessed here:

**<http://gov.wales/topics/educationandskills/skillsandtraining/apprenticeships/providers/?lang=en&dgd>**

Over the coming months, the Essential Skills section within AFO will be amended to reflect the SASW modifications and all current frameworks will be updated and reissued to incorporate these changes. In the meantime, if you are in any doubt as to the requirements of any framework then please contact the relevant Issuing Authority.

## Vehicle Body and Paint - non statutory

### Foundation Apprenticeship in Vehicle Body and Paint

#### Pathways for this framework at level 2 include:

##### Pathway 1: Mechanical, Electrical and Trim

**Competence qualifications available to this pathway:**

C1 - Level 2 Diploma in Vehicle Accident Repair Mechanical, Electrical and Trim (MET) Competence

**Knowledge qualifications available to this pathway:**

K1 - Level 2 Diploma in Accident Repair Vehicle Mechanical, Electrical and Trim (MET) Principles

**Combined qualifications available to this pathway:**

B1 - N/A

**This pathway also contains information on:**

- Employee rights and responsibilities
- Essential skills

##### Pathway 2: Body Building

**Competence qualifications available to this pathway:**

C1 - Level 2 Diploma in Body Building Competence

**Knowledge qualifications available to this pathway:**

K1 - Level 2 Diploma in Body Building Principles

**Combined qualifications available to this pathway:**

B1 - N/A

**This pathway also contains information on:**

- Employee rights and responsibilities
- Essential skills

##### Pathway 3: Body Repair

**Competence qualifications available to this pathway:**

C1 - Level 2 Diploma in Vehicle Accident Repair Body Competence

**Knowledge qualifications available to this pathway:**

K1 - Level 2 Diploma in Vehicle Accident Repair Body Principles

K2 - Level 2 Extended Diploma in Vehicle Accident Repair Body Principles

**Combined qualifications available to this pathway:**

B1 - N/A

**This pathway also contains information on:**

- Employee rights and responsibilities
- Essential skills

##### Pathway 4: Body Refinishing

**Competence qualifications available to this pathway:**

C1 - Level 2 Diploma in Vehicle Accident Repair Paint Competence

**Knowledge qualifications available to this pathway:**

K1 - Level 2 Diploma in Vehicle Accident Repair Paint Principles

K2 - Level 2 Extended Diploma in Vehicle Accident Repair Paint Principles

**Combined qualifications available to this pathway:**

B1 - N/A

**This pathway also contains information on:**

- Employee rights and responsibilities
- Essential skills

## Vehicle Body and Paint - non statutory

### Apprenticeship in Vehicle Body and Paint

**Pathways for this framework at level 3 include:**

**Pathway 1: Mechanical, Electrical and Trim**

**Competence qualifications available to this pathway:**

C1 - Level 3 Diploma in Vehicle Accident Repair Mechanical, Electrical and Trim (MET) Competence

**Knowledge qualifications available to this pathway:**

K1 - Level 3 Diploma in Accident Repair Vehicle Mechanical, Electrical and Trim (MET) Principles

**Combined qualifications available to this pathway:**

B1 - N/A

**This pathway also contains information on:**

- Employee rights and responsibilities
- Essential skills

**Pathway 2: Body Building**

**Competence qualifications available to this pathway:**

C1 - Level 3 Diploma in Body Building Competence

**Knowledge qualifications available to this pathway:**

K1 - Level 3 Diploma in Body Building Principles

**Combined qualifications available to this pathway:**

B1 - N/A

**This pathway also contains information on:**

- Employee rights and responsibilities
- Essential skills

**Pathway 3: Body Repair**

**Competence qualifications available to this pathway:**

C1 - Level 3 Diploma in Vehicle Accident Repair Body Competence

**Knowledge qualifications available to this pathway:**

K1 - Level 3 Diploma in Vehicle Accident Repair Body Principles

K2 - Level 3 Extended Diploma in Vehicle Accident Repair Body Principles

**Combined qualifications available to this pathway:**

B1 - N/A

**This pathway also contains information on:**

- Employee rights and responsibilities
- Essential skills

**Pathway 4: Body Refinishing**

**Competence qualifications available to this pathway:**

C1 - Level 3 Diploma in Vehicle Accident Repair Paint Competence

**Knowledge qualifications available to this pathway:**

K1 - Level 3 Diploma in Vehicle Accident Repair Paint Principles

K2 - Level 3 Extended Diploma in Vehicle Accident Repair Paint Principles

**Combined qualifications available to this pathway:**

B1 - N/A

**This pathway also contains information on:**

- Employee rights and responsibilities
- Essential skills

# Framework information

## Information on the Publishing Authority for this framework:

### Institute of the Motor Industry

The Apprenticeship sector for occupations in the automotive industry (also includes Vehicle Maintenance & Repair, Vehicle Sales, Vehicle Body & Paint, Vehicle Fitting and Vehicle Parts) and also occupations in freight logistics and maritime.

Issue number: 3	<b>This framework includes:</b>
Framework ID: FR01095	Level 2 Level 3
Date this framework is to be reviewed by: 31/03/2014	This framework is for use in: <b>Wales</b>

## Short description

Thousands of vehicle accidents occur every year in Wales, which means Vehicle Body and Paint technicians are heavily relied upon to repair vehicles that have been damaged and get them back on the road looking as good as new. Employers need to attract new people into the industry to fill jobs at levels 2 and 3 to replace those who leave or retire and to upskill the existing workforce. Apprentices will work as technicians and senior technicians assessing and repairing the damage, restoring body and paintwork on a range of light and heavy vehicles.

# Revising a framework

## Contact details

Who is making this revision: Laura Beattie  
Your organisation: The Institute of the Motor Industry (IMI)  
Your email address: laurab@motor.org.uk

## Why this framework is being revised

To add new qualifications that have recently been accredited along with the updated version of the Employee Rights & Responsibilities (ERR) workbook.

## Summary of changes made to this framework

- Inclusion of newly accredited qualifications
- inclusion of the updated Employee Rights & Responsibilities (ERR) workbook

## Qualifications removed

*(no information)*

## Qualifications added

Mechanical, Electrical & Trim

VCQ's - Competency Based Qualifications

- Edexcel Level 2 Diploma in Vehicle Accident Repair Mechanical, Electrical and Trim (MET) Competence - 600/3717/9

VRQ's - Knowledge and Skills Based Qualifications

- Edexcel BTEC Level 2 Diploma in Vehicle Accident Repair Mechanical, Electrical and Trim (MET) Principles - 600/3716/7

Body Building

### VCQ's - Competency Based Qualifications

- Edexcel Level 2 Diploma in Body Building Competence - 600/3552/3
- Edexcel Level 3 Diploma in Body Building Competence - 600/3555/9

### VRQ's - Knowledge and Skills Based Qualifications

- Edexcel BTEC Level 2 Diploma in Body Building Principles - 600/3580/8
- Edexcel BTEC Level 3 Diploma in Body Building Principles - 600/3553/5

### Body Repair

#### VCQ's - Competency Based Qualifications

- Edexcel Level 2 Diploma in Vehicle Accident Repair Body Competence - 600/3586/9
- Edexcel Level 3 Diploma in Vehicle Accident Repair Body Competence - 600/3578/X

#### VRQ's - Knowledge and Skills Based Qualifications

- Edexcel BTEC Level 2 Diploma in Vehicle Accident Repair Body Principles - 600/3563/8
- Edexcel BTEC Level 3 Diploma in Vehicle Accident Repair Body Principles - 600/3715/5

### Body Refinishing

#### VCQ's - Competency Based Qualifications

- Edexcel Level 2 Diploma in Vehicle Accident Repair Paint Competence - 600/3583/3
- Edexcel Level 3 Diploma in Vehicle Accident Repair Paint Competence - 600/3562/6

#### VRQ's - Knowledge and Skills Based Qualifications

- Edexcel BTEC Level 2 Diploma in Vehicle Accident Repair Paint Principles - 600/3584/5
- Edexcel BTEC Level 3 Diploma in Vehicle Accident Repair Paint Principles - 600/3579/1

### ERR

- Edexcel Level 2 Award in Knowledge of Employee Rights and Responsibilities for the Automotive Sector - 600/3713/1

## Qualifications that have been extended

*(no information)*

# Purpose of this framework

## Summary of the purpose of the framework

Thousands of vehicle accidents occur every year in Wales, which means Vehicle Body and Paint technicians are heavily relied upon to repair vehicles that have been damaged and get them back on the road looking as good as new. Apprenticeships are the life blood of the Automotive Retail Industry which relies on a steady flow of new entrants to fill the skilled jobs at levels 2 and 3.

More technicians in Vehicle Body and Paint are needed to:

- keep up with the technology used to repair a range of light vehicles and heavy vehicles;
- replace those who retire or leave;
- train as managers of the future.

Looking at the profile of the Automotive Retail Industry in Wales:

- skilled trade occupations make up a significantly larger than average share of the workforce at 44%, compared with 13% for other industries in Wales;
- managers and leaders form the second biggest occupational group with only 6% qualified to a high skill level of level 4 and above;
- 26% of the workforce from the Automotive Retail Industry in Wales are self employed workers;
- the Automotive Retail Industry in Wales provides employment for around 23,000 people across 4,015 business units and is a major contributor to the economy in Wales, contributing £4.8 billion of total turnover in Wales in 2008;
- the majority of the workforce is aged between 25 and 44;
- the workforce is predominantly white male, with females employed largely in secretarial and administrative jobs.

This new framework builds upon the success of its predecessor, by including updated qualifications to meet both the changing skills needs of employers and the new Specification of Apprenticeship Standards for Wales.

This Apprenticeship will help to attract new people into the industry, tap into the talents of under-represented groups and contribute to the upskilling of the workforce at all levels. Apprentices will work as technicians and senior technicians assessing and repairing the damage, restoring body and paintwork on a range of light and heavy vehicles.

The framework will also contribute to meeting the skills priorities in Wales by:

- providing flexible access to a high quality Level 2 and 3 skills programme, whichever entry

route apprentices use, for those who prefer this style of learning and achievement;

- incorporating skills to improve the levels of general literacy, numeracy and ICT in Wales;
- using technical and competence qualifications, valued by employers, to help their businesses grow;
- developing Apprentice's employability skills, making them more attractive to all employers whichever career they choose;
- providing a career pathway into jobs and training at intermediate and higher technician level, to provide the skills which the economy needs to grow;
- building on the existing quality learning provision for the Automotive Retail Industry in Wales.

## **Aims and objectives of this framework (Wales)**

The aim of this framework is to attract new people into Vehicle Body and Paint from a wide range of backgrounds to replace those who leave or retire and to upskill the existing workforce in Wales.

Objectives of this framework are to:

1. increase the number of existing staff qualified to technician and senior technician level;
2. attract more applicants from women and other under-represented groups into Vehicle Body and Paint posts at levels 2 and 3;
3. develop problem solving, communication, team working, literacy, numeracy and IT skills which are a priority for the Automotive Retail Industry;
4. provide micro businesses, which account for the majority of businesses in the Automotive Retail Industry with access to a quality training programme to help their businesses grow;
5. provide opportunities for career progression within vehicle body and paint, into the wider Automotive Retail Industry in Wales, or for apprentices to start their own business.

# Entry conditions for this framework

This framework in Vehicle Body and Paint would suite someone who is good with their hands and enjoys paying good attention to detail.

Employers are looking to attract applicants who have a keen interest in working in the Automotive Retail Industry in Vehicle Body and Paint and who have basic literacy and numeracy skills on which this Apprenticeship will build.

Applicants to this Apprenticeship will be a mix of age and experience. As a guide, applicants may come from a range of routes including:

- work or work experience;
- training and/or experience which could include a portfolio showing what they have done;
- any of the Essential Skills Wales or Wider Key Skills;
- Pathways to Apprenticeships;
- Welsh Baccalaureate including the Principal Learning Qualifications in Engineering and Retail Business which has automotive retail content;
- a range of vocational and academic qualification(s).

## RULES TO AVOID REPEATING QUALIFICATIONS

Processes exist to make sure that applicants with prior knowledge, qualifications and experience are not disadvantaged by having to repeat learning. Training providers and awarding organisations will be able to advise on the current rules for accrediting prior learning and recognising prior experience. Refer to the on and off the job training section for guidance about prior attainment and achievement. In the meantime, this is a short summary:

There are no relaxations or proxies for any qualifications specified in a framework in the Specification of Apprenticeship Standards for Wales (SASW), however, providers are encouraged to identify additional on-the-job training programmes that customise the learning to the new workplace.

### 1. Essential Skills Wales.

- If applicants already have GCSEs in English, Maths and/or Information and Communications Technology (ICT) they still have to do the Essential Skills Wales at the relevant level as these are new qualifications and proxies do not exist.
- Up to the 31 August 2011, if applicants already have achieved Key Skills at the relevant level, they will not have to do the relevant Essential Skills Wales (ESW), however, apprentices can be encouraged to complete ESW at a higher level if appropriate.

### 2. Knowledge qualifications. If applicants already have one of the Level 2 knowledge

qualifications before they started their Apprenticeship, (see knowledge qualifications page in this framework) they can count this and do not have to redo the qualification, providing that they have achieved this qualification within five years of applying for the apprenticeship certificate. For example they may have already achieved the knowledge element as part of the Welsh Baccalaureate. The hours they spent gaining this qualification will also count towards the minimum hours required for this framework.

3. Competence qualifications. If applicants already have the Level 2 competence qualification for the Apprenticeship they do not have to repeat this qualification, however, this qualification must have been achieved within five years of applying for the apprenticeship certificate and they will still have to demonstrate competence in the workplace.

4. Prior experience. Applicants already working in the sector will be able to have their prior experience recognised by the Awarding Organisation and this will count towards the competence and the knowledge qualifications in this framework.

## Initial Assessment

Training providers and employers will use initial assessment to ensure that applicants have a fair opportunity to demonstrate their ability and to tailor programmes to meet individual needs, recognising prior qualifications and experience.

## Level 2

Title for this framework at level 2

# Foundation Apprenticeship in Vehicle Body and Paint

### Pathways for this framework at level 2

- |            |                                 |
|------------|---------------------------------|

## Relationship between competence and knowledge qualifications

K1 provides the underpinning knowledge and understanding for C1.

## Transferable skills (Wales)

### Essential skills (Wales)

	Minimum level	Credit value
Communication	1	6
Application of numbers	1	6
IT	1	6

## Progression routes into and from this pathway

### PROGRESSION INTO THIS LEVEL TWO FOUNDATION APPRENTICESHIP

This can be from a wide range of routes including:

- work or work experience;
- training and/or experience;
- any of the Essential Skills Wales or Wider Key Skills Wales;
- Pathway to Apprenticeships;
- Welsh Baccalaureate including Principal Learning Qualifications in Engineering and Retail Business;
- a range of vocational or academic qualification(s).

### PROGRESSION FROM THIS LEVEL TWO FOUNDATION APPRENTICESHIP:

- Level 3 Apprenticeship in Vehicle Body and Paint;
- Level 3 Apprenticeship in another part of the Automotive Retail Industry such as Vehicle Parts or Vehicle Maintenance & Repair;
- Level 2 Foundation Apprenticeship in Team Leading;
- Employment into a range of jobs at Level 2 and 3 such as Body Shop Advisor, Service Advisor or Fleet Controller.

For more careers information on the Automotive Retail Industry visit [www.autocity.org.uk](http://www.autocity.org.uk).

# Employee rights and responsibilities

## Delivery and Assessment

All Apprentices will receive an induction to the workplace and to the Apprenticeship programme.

ERR will be covered through a separate qualification:

Title: City & Guilds Level 2 Award In Knowledge of Employee Rights and Responsibilities for the Automotive Sector (QCF)

Qualification Reference Number: 600/1216/X

Guided Learning Hours (GLH): 8

Credit Value: 2

OR

Title: IMIAL Level 2 Award In Knowledge of Employee Rights and Responsibilities for the Automotive Sector

Qualification Reference Number: 600/1308/4

Guided Learning Hours (GLH): 8

Credit Value: 2

OR

Title: Edexcel Level 2 Award In Knowledge of Employee Rights and Responsibilities for the Automotive Sector

Qualification Reference Number: 600/3713/1

Guided Learning Hours (GLH): 8

Credit Value: 2

This qualification will ensure that the Apprentice knows and understands each of the nine national outcomes for ERR as follows:

1. the range of employer and employee statutory rights and responsibilities under employment law and that employment rights can be affected by other legislation as well. This should cover the apprentice's rights and responsibilities under the Disability Discrimination Act, other relevant equalities legislation and health and safety, together with the duties of employers;
2. procedures and documentation which recognises and protects their relationship with their employer, including health and safety and equality and diversity training as part of the apprenticeship;
3. the range of sources and information and advice available to them on their employment rights and responsibilities, including Access to Work and Additional Learning Support;
4. the role played by their occupation in their organisation and industry;
5. has an informed view of the types of career pathways that are open to them;
6. the types of representative bodies and understands their relevance to their industry and organisation and the main roles and responsibilities;

7. where and how to get information and advice on their industry, occupation, training and career;
8. can describe and work within their organisation's principles and codes of practice;
9. can recognise and form a view on issues of public concern that affect their organisation and industry.

A workbook has been developed to support the delivery of the ERR qualification by providing appropriate learning material and incorporating areas for completion by the learner, which will be signed off by the employer.

This workbook is to be used as the primary source of evidence collection in completion of the ERR qualification. Should another form of evidence of completion be used, it will be the responsibility of the accrediting Awarding Organisation to ensure that this evidence fully maps to the requirements of the IMI Workbook.

To download the ERR workbook please click

here: [www.motor.org.uk/documentlibrary/Standards%20and%20Qualifications/201108ERR-workbook-vFinal-Aug-11.doc](http://www.motor.org.uk/documentlibrary/Standards%20and%20Qualifications/201108ERR-workbook-vFinal-Aug-11.doc)

#### RECOGNITION OF ERR:

A certificate of achievement of the ERR Award must be submitted to The Institute of the Motor Industry (IMI) when applying for an Apprenticeship completion certificate.

## Level 2, Pathway 2: Body Building

### Description of this pathway

Vehicle Body and Paint (Body Building) - 128 credits in total

### Entry requirements for this pathway in addition to the framework entry requirements

None in addition to the general entry conditions.

Job title(s)	Job role(s)
Body Building Technician	Responsible for the measuring, marking out, cutting and assembling body panels and units from various metals and materials. Removing standard components and fitting new custom made components.

Qualification Reference Number: 600/3713/1

Guided Learning Hours (GLH): 8

Credit Value: 2

This qualification will ensure that the Apprentice knows and understands each of the nine national outcomes for ERR as follows:

1. the range of employer and employee statutory rights and responsibilities under employment law and that employment rights can be affected by other legislation as well. This should cover the apprentice's rights and responsibilities under the Disability Discrimination Act, other relevant equalities legislation and health and safety, together with the duties of employers;
2. procedures and documentation which recognises and protects their relationship with their employer, including health and safety and equality and diversity training as part of the apprenticeship;
3. the range of sources and information and advice available to them on their employment rights and responsibilities, including Access to Work and Additional Learning Support;
4. the role played by their occupation in their organisation and industry;
5. has an informed view of the types of career pathways that are open to them;
6. the types of representative bodies and understands their relevance to their industry and organisation and the main roles and responsibilities;

7. where and how to get information and advice on their industry, occupation, training and career;
8. can describe and work within their organisation's principles and codes of practice;
9. can recognise and form a view on issues of public concern that affect their organisation and industry.

A workbook has been developed to support the delivery of the ERR qualification by providing appropriate learning material and incorporating areas for completion by the learner, which will be signed off by the employer.

This workbook is to be used as the primary source of evidence collection in completion of the ERR qualification. Should another form of evidence of completion be used, it will be the responsibility of the accrediting Awarding Organisation to ensure that this evidence fully maps to the requirements of the IMI Workbook.

To download the ERR workbook please click

## Relationship between competence and knowledge qualifications

K1 and K2 provides the underpinning knowledge and understanding for C1.

## Transferable skills (Wales)

### Essential skills (Wales)

	Minimum level	Credit value
Communication	1	6
Application of numbers	1	6
IT	1	6

## Progression routes into and from this pathway

### PROGRESSION INTO THIS LEVEL TWO FOUNDATION APPRENTICESHIP

This can be from a wide range of routes including:

- work or work experience;
- training and/or experience;
- any of the Essential Skills Wales or Wider Key Skills Wales;
- Pathway to Apprenticeships;
- Welsh Baccalaureate including Principal Learning Qualifications in Engineering and Retail Business;
- a range of vocational or academic qualification(s).

### PROGRESSION FROM THIS LEVEL TWO FOUNDATION APPRENTICESHIP:

- Level 3 Apprenticeship in Vehicle Body and Paint;
- Level 3 Apprenticeship in another part of the Automotive Retail Industry such as Vehicle Parts or Vehicle Maintenance & Repair;
- Level 2 Foundation Apprenticeship in Team Leading;
- Employment into a range of jobs at Level 2 and 3 such as Body Shop Advisor, Service Advisor or Fleet Controller.

For more careers information on the Automotive Retail Industry visit [www.autocity.org.uk](http://www.autocity.org.uk).

# Employee rights and responsibilities

## Delivery and Assessment

All Apprentices will receive an induction to the workplace and to the Apprenticeship programme.

ERR will be covered through a separate qualification:

Title: City & Guilds Level 2 Award In Knowledge of Employee Rights and Responsibilities for the Automotive Sector (QCF)

Qualification Reference Number: 600/1216/X

Guided Learning Hours (GLH): 8

Credit Value: 2

OR

Title: IMIAL Level 2 Award In Knowledge of Employee Rights and Responsibilities for the Automotive Sector

Qualification Reference Number: 600/1308/4

Guided Learning Hours (GLH): 8

Credit Value: 2

OR

Title: Edexcel Level 2 Award In Knowledge of Employee Rights and Responsibilities for the Automotive Sector

Qualification Reference Number: 600/3713/1

Guided Learning Hours (GLH): 8

Credit Value: 2

This qualification will ensure that the Apprentice knows and understands each of the nine national outcomes for ERR as follows:

1. the range of employer and employee statutory rights and responsibilities under employment law and that employment rights can be affected by other legislation as well. This should cover the apprentice's rights and responsibilities under the Disability Discrimination Act, other relevant equalities legislation and health and safety, together with the duties of employers;
2. procedures and documentation which recognises and protects their relationship with their employer, including health and safety and equality and diversity training as part of the apprenticeship;
3. the range of sources and information and advice available to them on their employment rights and responsibilities, including Access to Work and Additional Learning Support;
4. the role played by their occupation in their organisation and industry;
5. has an informed view of the types of career pathways that are open to them;
6. the types of representative bodies and understands their relevance to their industry and organisation and the main roles and responsibilities;

7. where and how to get information and advice on their industry, occupation, training and career;
8. can describe and work within their organisation's principles and codes of practice;
9. can recognise and form a view on issues of public concern that affect their organisation and industry.

A workbook has been developed to support the delivery of the ERR qualification by providing appropriate learning material and incorporating areas for completion by the learner, which will be signed off by the employer.

This workbook is to be used as the primary source of evidence collection in completion of the ERR qualification. Should another form of evidence of completion be used, it will be the responsibility of the accrediting Awarding Organisation to ensure that this evidence fully maps to the requirements of the IMI Workbook.

Credit Value: 2

This qualification will ensure that the Apprentice knows and understands each of the nine national outcomes for ERR as follows:

1. the range of employer and employee statutory rights and responsibilities under employment law and that employment rights can be affected by other legislation as well. This should cover the apprentice's rights and responsibilities under the Disability Discrimination Act, other relevant equalities legislation and health and safety, together with the duties of employers;
2. procedures and documentation which recognises and protects their relationship with their employer, including health and safety and equality and diversity training as part of the apprenticeship;
3. the range of sources and information and advice available to them on their employment rights and responsibilities, including Access to Work and Additional Learning Support;
4. the role played by their occupation in their organisation and industry;
5. has an informed view of the types of career pathways that are open to them;
6. the types of representative bodies and understands their relevance to their industry and organisation and the main roles and responsibilities;

7. where and how to get information and advice on their industry, occupation, training and career;
8. can describe and work within their organisation's principles and codes of practice;
9. can recognise and form a view on issues of public concern that affect their organisation and industry.

A workbook has been developed to support the delivery of the ERR qualification by providing appropriate learning material and incorporating areas for completion by the learner, which will be signed off by the employer.

This workbook is to be used as the primary source of evidence collection in completion of the ERR qualification. Should another form of evidence of completion be used, it will be the responsibility of the accrediting Awarding Organisation to ensure that this evidence fully maps to the requirements of the IMI Workbook.

To download the ERR workbook please click

here: [www.motor.org.uk/documentlibrary/Standards%20and%20Qualifications/201108ERR-workbook-vFinal-Aug-11.doc](http://www.motor.org.uk/documentlibrary/Standards%20and%20Qualifications/201108ERR-workbook-vFinal-Aug-11.doc)

#### RECOGNITION OF ERR:

A certificate of achievement of the ERR Award must be submitted to The Institute of the Motor Industry (IMI) when applying for an Apprenticeship completion certificate.

## Level 3, Pathway 4: Body Refinishing

### Description of this pathway

Vehicle Body and Paint (Body Refinishing) - 211 credits in total.

### Entry requirements for this pathway in addition to the framework entry requirements

None in addition to the general entry conditions.

Job title(s)	Job role(s)
Senior Paint Technician	Supervise the preparation of vehicles to be painted after damage has occurred, ensure all parts have been stripped from the vehicle, sand down relevant areas, adjoining areas for blending, masking, etching and priming areas to be treated and selecting, matching and mixing colour.

# Qualifications

## Competence qualifications available to this pathway

C1 - Level 3 Diploma in Vehicle Accident Repair Paint Competence					
No.	Ref no.	Awarding organisation	Credit value	Guided learning hours	UCAS points value
C1a	500/9822/6	IMIAL	108	915	N/A
C1b	500/9988/7	City & Guilds	108	915	N/A
C1c	600/3562/6	EDEXCEL	108	915	N/A

## Knowledge qualifications available to this pathway

K1 - Level 3 Diploma in Vehicle Accident Repair Paint Principles					
No.	Ref no.	Awarding organisation	Credit value	Guided learning hours	UCAS points value
K1a	500/9688/6	IMIAL	83	690	N/A
K1b	500/9989/9	City & Guilds	83	690	N/A
K1c	600/3579/1	EDEXCEL	83	690	N/A

## Knowledge qualifications available to this pathway (cont.)

K2 - Level 3 Extended Diploma in Vehicle Accident Repair Paint Principles					
No.	Ref no.	Awarding organisation	Credit value	Guided learning hours	UCAS points value
K2a	600/1793/4	IMIAL	111	834	N/A

## Combined qualifications available to this pathway

B1 - N/A					
No.	Ref no.	Awarding organisation	Credit value	Guided learning hours	UCAS points value
B1a	N/A	N/A	N/A	N/A	N/A

## Relationship between competence and knowledge qualifications

K1 and K2 provides the underpinning knowledge and understanding for C1.

## Transferable skills (Wales)

### Essential skills (Wales)

	Minimum level	Credit value
Communication	2	6
Application of numbers	2	6
IT	2	6

## Progression routes into and from this pathway

### PROGRESSION INTO THIS LEVEL THREE APPRENTICESHIP

This can be from a wide range of routes including:

- Level 2 Foundation Apprenticeship in Vehicle Body and Paint;
- work or work experience;
- training and/or experience which could include a portfolio showing what they have done;
- any of the Essential Skills Wales or Wider Key Skills Wales;
- Welsh Baccalaureate including Principle Learning Qualifications in Engineering and Retail Business;
- a range of vocational or academic qualification(s).

### PROGRESSION FROM THIS LEVEL THREE APPRENTICESHIP:

- Level 3 Apprenticeship in another part of the Automotive Retail Industry such as Vehicle Parts or Vehicle Maintenance and Repair;
- Level 2 Foundation Apprenticeship in Team Leading;
- Level 3 Apprenticeship in Management;
- into employment into a range of Level 3 and 4 jobs such as Workshop Controller, Bodyshop Manager or Service Manager.

For more careers information on the Automotive Retail Industry visit [www.autocity.org.uk](http://www.autocity.org.uk).

### UCAS points for this pathway:

*(no information)*

# Employee rights and responsibilities

## Delivery and Assessment

All Apprentices will receive an induction to the workplace and to the Apprenticeship programme.

ERR will be covered through a separate qualification:

Title: City & Guilds Level 2 Award In Knowledge of Employee Rights and Responsibilities for the Automotive Sector (QCF)

Qualification Reference Number: 600/1216/X

Guided Learning Hours (GLH): 8

Credit Value: 2

OR

Title: IMIAL Level 2 Award In Knowledge of Employee Rights and Responsibilities for the Automotive Sector

Qualification Reference Number: 600/1308/4

Guided Learning Hours (GLH): 8

Credit Value: 2

OR

Title: Edexcel Level 2 Award In Knowledge of Employee Rights and Responsibilities for the Automotive Sector

Qualification Reference Number: 600/3713/1

Guided Learning Hours (GLH): 8

Credit Value: 2

This qualification will ensure that the Apprentice knows and understands each of the nine national outcomes for ERR as follows:

1. the range of employer and employee statutory rights and responsibilities under employment law and that employment rights can be affected by other legislation as well. This should cover the apprentice's rights and responsibilities under the Disability Discrimination Act, other relevant equalities legislation and health and safety, together with the duties of employers;
2. procedures and documentation which recognises and protects their relationship with their employer, including health and safety and equality and diversity training as part of the apprenticeship;
3. the range of sources and information and advice available to them on their employment rights and responsibilities, including Access to Work and Additional Learning Support;
4. the role played by their occupation in their organisation and industry;
5. has an informed view of the types of career pathways that are open to them;
6. the types of representative bodies and understands their relevance to their industry and organisation and the main roles and responsibilities;

7. where and how to get information and advice on their industry, occupation, training and career;
8. can describe and work within their organisation's principles and codes of practice;
9. can recognise and form a view on issues of public concern that affect their organisation and industry.

A workbook has been developed to support the delivery of the ERR qualification by providing appropriate learning material and incorporating areas for completion by the learner, which will be signed off by the employer.

This workbook is to be used as the primary source of evidence collection in completion of the ERR qualification. Should another form of evidence of completion be used, it will be the responsibility of the accrediting Awarding Organisation to ensure that this evidence fully maps to the requirements of the IMI Workbook.

To download the ERR workbook please click

here: [www.motor.org.uk/documentlibrary/Standards%20and%20Qualifications/201108ERR-workbook-vFinal-Aug-11.doc](http://www.motor.org.uk/documentlibrary/Standards%20and%20Qualifications/201108ERR-workbook-vFinal-Aug-11.doc)

#### RECOGNITION OF ERR:

A certificate of achievement of the ERR Award must be submitted to The Institute of the Motor Industry (IMI) when applying for an Apprenticeship completion certificate.

*The remaining sections apply to all levels and pathways within this framework.*

## How equality and diversity will be met

The Automotive Retail Industry in Wales is mainly white male and the average age of the workforce is 39.

A breakdown of data for apprenticeship starts in Wales in the Automotive Retail Industry for 2007/2008 showed the following:

- Male 98%
- Female 2%
- White 99%
- Ethnic Minority 1%

The Apprenticeship route has been popular in the Automotive Retail Industry, particularly on the technical side, for a number of years; however recruitment still causes difficulties. The difficulties appear to result from the industry's image problems together with pay conditions and career prospects. In order to counteract some of these issues, awareness of the Automotive Retail Industry as a profession is being raised through:

- the Principal Learning Qualifications in the Welsh Baccalaureate for Engineering and Retail Business, which has automotive retail content;
- Headlight - free business studies resources available for schools with the motor industry as the exciting backdrop;
- Women in Work initiative, which is a financial incentive for employers towards the training costs for upskilling women in the sector;
- Autocity - Careers website for the Automotive Industry, which includes non stereotypical images.

Apprenticeships are seen as a vital route to encourage, and facilitate, a greater diversity of individuals into the industry, therefore entry conditions to this framework are extremely flexible and mentoring has been included to contribute towards increasing retention and achievement rates.

The IMI expects providers and employers to comply with the Equality Act 2010 to ensure that applicants are not discriminated against in terms of entry to and promotion within, the sector using the 9 protected characteristics of:

### 1. Age

2. Disability
3. Gender
4. Gender reassignment
5. Marriage and civil partnerships
6. Pregnancy and maternity
7. Race
8. Religion and Belief
9. Sexual orientation

Download the Equality Act here:

[www.equalityhumanrights.com/advice-and-guidance/new-equality-act-guidance/](http://www.equalityhumanrights.com/advice-and-guidance/new-equality-act-guidance/)

The IMI will monitor take up and achievement of all Apprenticeships through its Apprenticeship Steering Group and take steps to address any barriers to take up and achievement as part of our Sector Qualifications Strategy.

# On and off the job training (Wales)

## Summary of on- and off-the-job training

Off-the-job training is the knowledge and Skills qualification plus the Employee Rights and Responsibilities (ERR) qualification, the Essential Skills Wales qualifications and Mentoring.

On-the-job training is the competence qualification.

Total On-and-Off the Job Training Hours

The total amount of on-and-off the job training hours is:

### Level 2

- Mechanical, Electrical & Trim (MET): 1323 Hours
- Body Building: 1262 Hours
- Body Repair: 1958 Hours
- Body Refinishing: 1583 Hours

### Level 3

- Mechanical, Electrical & Trim (MET): 1163 Hours
- Body Building: 1633 Hours
- Body Repair: 1903 Hours
- Body Refinishing: 1943 Hours

## Off-the-job training

The total amount of off-the-job training hours is:

### Level 2

- Mechanical, Electrical & Trim (MET): 783 Hours
- Body Building: 763 Hours
- Body Repair: 1048 Hours
- Body Refinishing: 888 Hours

### Level 3

- Mechanical, Electrical & Trim (MET): 718 Hours
- Body Building: 915 Hours
- Body Repair: 998 Hours
- Body Refinishing: 1028 Hours

### How this requirement will be met

Off-the-job training should:

- achieve clear and specific outcomes which contribute directly to the successful achievement of the framework and this may include accredited and non-accredited elements of the framework
- be planned, reviewed and evaluated jointly between the apprentice and a tutor, teacher, mentor or manager
- allow access as and when required by the apprentice either to a tutor, teacher, mentor or manager
- be delivered through one or more of the following methods: individual and group teaching, e-learning, distance learning, coaching, mentoring, feedback and assessment, collaborative/networked learning with peers or guided study

Providers will not be required to record individual on and off the job training hours. However for certification purposes, the provider will be required to declare that the apprentice has completed the on and off the job training hour requirement as set out in this Apprenticeship framework.

Training hours delivered under an apprenticeship agreement may vary depending on the previous experience and attainment of the apprentice.

The amount of off-the-job training required to complete the apprenticeship under the apprenticeship agreement may then be reduced accordingly, provided the total number of off-the-job hours for this framework can be verified for apprenticeship certification.

### Previous attainment

Where a learner enters an apprenticeship agreement having previously attained parts or all of the relevant qualifications, this prior learning needs to be recognised using either QCF credit transfer for achievements within the QCF; or through recording of exemptions for certificated learning outside of the QCF, for example Principal Learning qualifications.

For apprentices who have already achieved the relevant qualifications, they must have been certificated within 5 years of applying for the Apprenticeship Certificate.

### Previous experience

Where a learner enters an apprenticeship agreement with previous work-related experience, this prior learning needs to be recognised [see QCF Guidance on Claiming Credit for further details]. To count towards apprenticeship certification, previous experience must be recorded using the appropriate Awarding Organisation's QCF 'Recognition of Prior Learning' procedures and the hours recorded may then count towards the off-the-job hours required to complete the apprenticeship.

For apprentices with prior uncertificated learning experience, the off-the-job learning must have been acquired within five years of application for the Foundation Apprenticeship Certificate or have been continuously employed in the relevant job role in the industry for five years duration.

### Breakdown of off-the-job training hours:

#### Level 2

- Mechanical, Electrical & Trim (MET) (Knowledge and Skills qualification 445 Hours + ERR 8 Hours + Essential Skills Wales 180 Hours (60 Hours for each Skill) + Mentoring 150 Hours (an average of 2 Hours per week)) = 783 Hours
- Body Building (Knowledge and Skills qualification 425 Hours + ERR 8 Hours + Essential Skills Wales 180 Hours (60 Hours for each Skill) + Mentoring 150 Hours (an average of 2 Hours per week)) = 763 Hours
- Body Repair (Knowledge and Skills qualification 710 Hours + ERR 8 Hours + Essential Skills Wales 180 Hours (60 Hours for each Skill) + Mentoring 150 Hours (an average of 2 Hours per week)) = 1048 Hours
- Body Refinishing (Knowledge and Skills qualification 550 Hours + ERR 8 Hours + Essential Skills Wales 180 Hours (60 Hours for each Skill) + Mentoring 150 Hours (an average of 2 Hours per week)) = 888 Hours

#### Level 3

- Mechanical, Electrical & Trim (MET) (Knowledge and Skills qualification 380 Hours + ERR 8 Hours + Essential Skills Wales 180 Hours (60 Hours for each Skill) + Mentoring 150 Hours (an average of 2 Hours per week)) = 718 Hours
- Body Building (Knowledge and Skills qualification 577 Hours + ERR 8 Hours + Essential Skills

Wales 180 Hours (60 Hours for each Skill) + Mentoring 150 Hours (an average of 2 Hours per week)) = 915 Hours

- Body Repair (Knowledge and Skills qualification 660 Hours + ERR 8 Hours + Essential Skills

Wales 180 Hours (60 Hours for each Skill) + Mentoring 150 Hours (an average of 2 Hours per week)) = 998 Hours

- Body Refinishing (Knowledge and Skills qualification 690 Hours + ERR 8 Hours + Essential Skills Wales 180 Hours (60 Hours for each Skill) + Mentoring 150 Hours (an average of 2 Hours per week)) = 1028 Hours

Evidence for off-the-job training hours:

## Level 2

- Level 2 certificate for the knowledge and skills qualification for the relevant pathway
- Certificate showing achievement of the ERR Award
- Level 1 Key Skills Certificate showing achievement of Essential Skills Wales in Application of Number, Communications and Information Communication Technology (ICT)

## Level 3

- Level 3 certificate for the knowledge and skills qualification for the relevant pathway
- Certificate showing achievement of the ERR Award
- Level 2 Key Skills Certificate showing achievement of Essential Skills Wales in Application of Number, Communications and Information Communication Technology (ICT)

Apprenticeship Certificate application forms can be downloaded from: [www.motor.org.uk/standards-and-qualifications/downloads.html](http://www.motor.org.uk/standards-and-qualifications/downloads.html)

## On-the-job training

The total amount of Training Hours for on-the-job is:

## Level 2

- Mechanical, Electrical & Trim (MET): 540 Hours
- Body Building: 499 Hours
- Body Repair: 910 Hours
- Body Refinishing: 695 Hours

### Level 3

- Mechanical, Electrical & Trim (MET): 445 Hours
- Body Building: 718 Hours
- Body Repair: 905 Hours
- Body Refinishing: 915 Hours

### How this requirement will be met

On-the-job training hours should:

- achieve clear and specific outcomes which contribute directly to the successful achievement of the framework and this may include accredited and non-accredited elements of the framework
- be planned, reviewed and evaluated jointly between the apprentice and a tutor, teacher, mentor or manager
- allow access as and when required by the apprentice either to a tutor, teacher, mentor or manager
- be delivered during contracted working hours

Providers will not be required to record individual on and off the job training hours. However for certification purposes, the provider will be required to declare that the apprentice has completed the on and off the job training hour requirement as set out in this Apprenticeship framework.

These hours may vary depending on previous experience and attainment of the apprentice. Where a learner enters an apprenticeship agreement having previously attained or acquired the appropriate competencies or knowledge, this prior learning needs to be recognised and documented using the relevant QCF credit transfer, QCF exemption or RPL procedures (as off-the-job above). The amount of on-the-job training required to complete the apprenticeship under the apprenticeship agreement may then be reduced accordingly, provided the total number of on-the-job hours for this framework can be verified for apprenticeship certification.

Apprentices who commence training under a new apprenticeship agreement with a new employer may bring a range of prior experience with them. When an apprentice can claim a percentage or more hours towards the on-the-job framework total through prior learning acquired from previous full-time education, employment or other vocational programmes, then the apprentice's learning programme should include 'customisation'.

Training providers are encouraged to identify additional on-the-job training programmes that customise the learning to the new workplace. Customisation programmes may include: Selecting appropriate additional Unit(s) from QCF qualifications, or relevant units recognised as

Quality Assured Lifelong Learning [QALL] through a CQFW recognised body, following Essential Skills at a level higher than that specified in the framework including one or more Wider Key Skills or other competency-based qualifications/units relevant to the workplace.

For apprentices who have already achieved the relevant qualifications, they must have been certificated within 5 years from the date of application for the Foundation Apprenticeship/Apprenticeship Certificate or have been continuously employed in the industry for 5 years. Job roles within the Automotive Retail Industry require a thorough level of technical competence and knowledge, which will be undertaken through work-based training, practice and experience.

On-the-job learning must be formally recorded, either in a diary, workbook, portfolio, or be verified by attendance records. This evidence needs to be checked and signed by the employer, provider and Apprentice. The IMI reserves the right to request a copy of one or more of these records when applying for an apprenticeship completion certificate.

Evidence for on-the-Job Training Hours:

Level 2

- Level 2 certificate showing achievement of the competence qualification for the relevant pathway

Level 3:

- Level 3 certificate showing achievement of the competence qualification for the relevant pathway

Apprenticeship Certificate application forms can be downloaded from: [www.motor.org.uk/standards-and-qualifications/downloads.html](http://www.motor.org.uk/standards-and-qualifications/downloads.html)

# Wider key skills assessment and recognition (Wales)

## Improving own learning and performance

The employers that consulted do not require these Wider Key Skills to be separately delivered as part of this Apprenticeship. However, training providers and learners are encouraged to record when and where they are using these skills to provide evidence towards claiming prior learning of these Skills in the future.

## Working with others

The employers that consulted do not require these Wider Key Skills to be separately delivered as part of this Apprenticeship. However, training providers and learners are encouraged to record when and where they are using these skills to provide evidence towards claiming prior learning of these Skills in the future.

## Problem solving

The employers that consulted do not require these Wider Key Skills to be separately delivered as part of this Apprenticeship. However, training providers and learners are encouraged to record when and where they are using these skills to provide evidence towards claiming prior learning of these Skills in the future.

# Additional employer requirements

None.
