LEARNING PROGRAMME CONTENT

Pathway duration, minimum of 12 months

The total minimum credit value required for the Level 3 Pathway – *Train Driver* is **108 credits**, this includes combined knowledge and competence elements.

The Learning Programme provision shall comprise of three mandatory elements:

- Qualification
- Essential Skills
- On/off the job training

Pathway with minimum and total learning hours = 1075

Combined qualification = 895hours / 90 credits

Essential Skills Wales (60 hours x 3) = 180 hours / 18 credits

ENTRY REQUIREMENTS

There are no entry requirements for this framework, however:

Entrants to this pathway are likely to primarily be learners aged 20+ who have completed their GCSE / A Levels (equivalent) or Welsh Baccalaureate studies, and in some cases relevant vocational qualifications.

Other entrants may have experience of working in the sector and are now seeking to become qualified by undertaking an apprenticeship programme. Interest would be shown to those applicants who have had previous work experience or employment in the rail/transportation sector or seeking a career change.

In addition:

- Learners will need to be on a formal training scheme with a rail service company.
- Due to the nature of the role candidates must meet medical standards of physical health these are set out within the Train Driving Licences and Certificates Regulations 2010.
- Learners must have both the potential and opportunity to achieve the assessment criteria set out in the qualification units and gain evidence from the workplace.
